

# EVENT PACKAGE PRICE LIST

Earth Garden Flower Shop is a luxury floral house rooted in science, wellness, and beauty. We do not operate from a traditional flower catalog. Instead, we design experiences—custom floral ecosystems curated to support peace, connection, and presence. Each package below reflects our signature approach: fewer distractions, higher impact, and intentional design.

# WHY EARTH GARDEN

We believe flowers are not decoration—they are emotional architecture.

Every Earth Garden installation is designed to:

- Lower visual noise
- Support nervous system regulation
- Encourage presence and connection
- Create moments of peace in shared spaces

We look forward to creating an environment of calm, beauty, and intention for your event.

## EXPLORE OUR WORK

We encourage clients to experience our designs visually to fully understand our approach to calm, spatial harmony, and emotional impact.
